Revere's Comfort Max™ series of inflatable lifejackets (Personal Flotation Devices) provide all the comfort and safety you need while looking smart wearing it. It's so comfortable, you'll WANT to wear it... all the time!

- USCG approved for persons at least 16 years of age, weighing 80 lbs. and above with a chest size between 30" and 52"
- Available as Automatic (with Manual Backup) or Manual
- Dual waist belt stainless steel adjusters. Provides for easy adjustment with both hands and a more custom fit
- Exterior inflation system access flap. Allows for clear, direct access to the CO₂ cylinder for rearming. The CO₂ cylinder can be replaced without opening and unfolding the entire PFD
- Waist strap and back strap attachment points fully connected and reinforced from inside for added strength
- Heavy duty 420 denier nylon packcloth outer cover
- Twin 2" wide back straps for comfort and security
- Includes signal whistle
- SOLAS-grade retro-reflective tape on inflatable bladder
- Comfortable neck. The neck area has no Velcro or edge binding to cause chafing or abrasion for all-day comfort
