The 6-Person Offshore Commander provides the same durable quality as the Coastal Commander, now available in a version for offshore boating. The Offshore Commander is the latest in affordable, offshore liferafts by Revere that won't "break the bank" and give you the peace of mind that you WILL be safe at sea!

The Offshore Commander includes an extended equipment pack including SOLAS pyrotechnics. A training DVD is included with the raft to help you prepare for use in an emergency situation. The Offshore Commander is vacuum-packed to add greater protection against the environment and minimize servicing costs. If serviced according to manufacturer's warranty program, the Offshore Commander comes with a 12-year limited warranty.
