- 45-OE4CRAD White Powder Coated Aluminum Cradle w/Hydro (4 Man)
- 45-OE6CRAD White Powder Coated Aluminum Cradle w/Hydro (6/8 Man)

Looking for the best coastal liferaft available today? The Revere Offshore Elite has every bell and whistle possible and is the lightest weight raft in its class starting at just 54 lbs! The Offshore Elite offers the entire crew easy usage when facing the stress of a life-threatening situation — as opposed to other liferafts that can be difficult to lift and transport at the time of need. Included are two large independent 11" buoyancy chambers, as well as an automatically inflated canopy. Offering a spacious 4 square-foot-per-person, the Offshore Elite is equipped with a self-inflating boarding ramp for entry assistance. This rafts include an inflatable floor, stowage pockets, zippered windows, flashing strobe, extra large ballast pockets, an extensive equipment pack including USCG/SOLAS flares plus much more. The Offshore Elite is vacuum-packed to add greater protection against the environment and minimize servicing costs as service is required just once every three years. If serviced according to manufacturer's specs, the Offshore Elite offers a 12-year limited warranty.
